Subject: Urgent Request to Reconfigure Online Admission Course Allocation: M.A. in Geography to M.Sc. in Geography.

Sir/Madam,

I am writing to formally request an urgent technical update on the ongoing online admission portal managed by your agency for Dakshin Dinajpur University for the current Academic Session 2026-2027.

As directed by the Hon'ble Vice Chancellor of Dakshin Dinajpur University, this University will offer the **Postgraduate Program in Geography** exclusively as a **Master of Science (M.Sc.)** degree rather than a Master of Arts (M.A.) degree.

To prevent systemic discrepancies in student registrations, final merit lists, and future marksheets, kindly implement the following configuration changes on the admission portal with immediate effect:

- (i) **Course Nomenclature Update:** Change the course title in the admission database and front-end dropdown menus from "M.A. in Geography" to "M.Sc. in Geography."
- (ii) **Student Data Migration:** Automatically migrate or update the preference data of all applicants who have already applied under the "M.A. in Geography" category to "M.Sc. in Geography."

Please treat this matter with high priority to avoid disruptions in the upcoming counselling phases. Kindly confirm via email once the systemic changes have been successfully deployed.

Thank you for your cooperation and prompt technical support.

Thanking you,

With Regards,

M. Bandyopadhyay
(Dr. Modhura Bandyopadhyay)
Registrar (Addl. Chg.)
Dakshin Dinajpur University
